FORTY-NINER

ORIAN

THE ORIAN

In 1849 there surged across the continent a wild multitude seeking wealth and prosperity in the form of gold from California. On this hundredth anniversary we leave our high school days behind us and start out into the world in the search of success and happiness in much the same way as those pioneers sought gold.

Dedication

In appreciation of all he has done for our school, we wish to dedicate this book to Mr. McClure. In spite of his various duties, which he performs with his characteristic boundless energy, he still has time to smile.

So the '49ers say thanks to "Mac" for helping to make their high school days more memorable.

People you should know.

MISS BARTH:

Although students rarely see her, for her office is shut off from the thundering herd, Miss Barth very capably fills the position as Mr. Sullivan's secretary.

MRS. VADAKIN:

Mrs. Vadakin holds forth in the hospital on the second floor. It is she who doles out aspirin, bandages and countless words of comfort.

MR. CURTIS:

Mr. Curtis, superintendent of all the school buildings, is seen quite frequently in his Mercury going from one school to another.

MR. KESTERSON:

Mr. Kesterson is a familiar figure in the halls. His official title is that of custodian and general maintenance manager—with seemingly endless tasks.

CAFETERIA STAFF:

This fine group of people is responsible for the excellent hot lunches you receive every school day. We salute the cafeteria staff for their tasty and nutritious food—whether it be soup, sandwiches, hot plate, cold plate, cake or pie.

MOTTO

Non est vivere est valere vita.

(Not merely to exist, but to amount to something in life.)

Class Song

(1)

To thee we hail our Alma Mater
As we leave thy hall—
Within our hearts the memory lies
Of happy years that we recall.

(2)

No longer our old comradeships
No longer well known ways
For us new paths must open now
New duties soon must fill our days.

(3)

So classmates we must stand as one
As heartily we raise—
A loyal song at our farewell
In dear Old Alma Mater's praise.

FROM HANZEL AND GRETEL

Pierrot (Pierrette), come dance with me.
Both your hands now give to me
Right foot first, left foot then
Round and round and back again.

THE QUEEN OF THE KITCHEN

A few words I will tell to you about la cuiseniere
A shepherdess she also is and none was ever fairer.
One day there came a suitor fine,
With manners brave and courtly.
"Your ways and mine will never agree,
For you have yours and I have mine,"
Hurrah for la cuiseniere!

DAS ABENTEUER DER NEUJAHRSNACHT

New Year's Eve brings real adventure to Rosie Bittner, maid to the Countess Bonau and Philip Stark, a poor florist. They trust that Philip's lottery ticket may win the grand prize. Rosie has a lovely new party dress, a gift of the Countess, but Philip has to relinquish the party to act as nightwatchman for his ailing father.

The merry crown prince, coming from the royal masked ball, chances to meet Philip as he calls out the hours. When the prince demands that they exchange robes and roles for half an hour, Philip is forced to accept or offend his Royal Highness.

While Philip is at the masked ball, he succeeds in reconciling the estranged Countess Bonau and the Count Chamberlain and threatens to expose an ambitious nobleman who aspires to be Prime Minister and hopes to attain it by bribing the Crown Prince to use his influence with the King.

Meanwhile the Crown Prince has been going from street to street singing verses about the dishonest officials of his father's court. Rosie, hearing the nightwatchman, believes it is Philip and, seeing the heavy money bag he carries, thinks they have won the grand prize. The slandered officials have Philip and the Prince arrested before they can exchange clothes. After much anxiety, Philip is exonerated and he and Rosie receive not only the bag of money from the Prince but from the King the promise of a position as castle gardener with a home on the royal estate.

Marching Band

Rehearsals started in the middle of August for the 113 members of this band who performed for football games and parades. They literally wore themselves out with some of the very difficult formations. They played for the Belpre Homecoming Parade and the Washington County Fair.

Trips to the games at Newark, Zanesville, and to the Freedom Train at Parkersburg, were part of the band's activities.

Concert Band

This symphonic band, consisting of seventy-two players, takes part in assemblies, and a few are chosen to play for home basketball games. The winter concert was held in the Hippodrome Theater on February 23. The two performances consisted of nine numbers each. Included in these were: "Movements from Holst Suite in E-flat," "Where or When," "Continental Serenade," "Musical Typist" with accordion and Xylophone solos, two Irish folk tunes, and several other numbers. The spring concert, presented in connection with National Music Week, was held May 6, in the high school gymnasium. The theme was music of various nations.

The purchasing of a record player and amplifier and a stroboconn for keeping instruments in tune, helped the band give better performances.

The new director, Mr. Buxton, has worked hard to make this year a successful one and from all appearances he has well accomplished his goal.

Members of this organization not pictured with the Marching Band are: Bruce DeMoll, Stanley Harman, Corinne McClave, Jocelyn Morgan, David Price, and William Thompson.

Coaches

MR. SUTTON

Mr. Sutton is the oldest member of our coaching staff. "Squat", as he is better known, has served twenty-five years as coach at M. H. S. and truly deserves the title of "Dean of Ohio Coaches." Mr. Sutton started with only three lettermen and turned out a good ball club by the end of the season. The boys like to work for the Coach and appreciate the training he gives them. No other school in the state can boast of a mentor as faithful and loyal to athletics as Mr. Sutton. We are indeed grateful for his wonderful service.

MR. GLAZIER

This is Mr. Glazier's sixth year at Marietta High School. In this time he has turned out some great track teams. It has been said that "Cliff" is one of the greatest track coaches in the country, and I'm sure you'll agree. "Cliff" works with his boys almost the year around to get them to be as good as they are. He has been a source of inspiration to all the boys he has tutored on the cinder paths. We hope he will stick with us for many years.

ROBERT MANNING

Mr. Manning came to us this year from Ravenswood, where he produced some good football and basketball teams. He is head coach of football and also coach of the eighth grade basketball. Mr. Manning stresses good condition, hard playing, and the will to win. We wish him the very best of luck in his future years as head football coach.

MR. McCLURE

Mr. McClure has served M. H. S. this year in a double role as faculty manager and as assistant basketball coach. "Mac" has spent many tiresome hours caring for equipment, arranging schedules, and planning trips for the team. He did a creditable job coaching the Junior Varsity also. We are fortunate to have a hard worker like "Mac" in our athletic department.

MR. BELL

Mr. Bell is another new addition to the coaching staff this year. He assists Manning as backfield coach. He was graduated from Muhlenberg, where he was a star quarterback last year. The boys who were under "Bill's" guidance liked him and worked hard for him. We welcome a man like Mr. Bell as a coach at M. H. S.

MR. DUVALL

"Bert" served as coach of the ninth grade basketball team this year. It is his job to teach the boys the fundamental plays of the game. Because of his friendly attitude the boys under him like him very much. We hope "Bert" will continue to stay with us on our coaching staff.

MR. ANNASENZ

Mr. Annasenz served as coach of the ninth grade football team this year. Under his coaching, this team went undefeated. Through Mr. Annasenz's efforts M. H. S. can expect some good football teams in the future.

MR. BOLIN

Mr. Bolin has been here at M. H. S. for four years. His fine record as assistant football and track coach and reserve basketball coach speaks for itself. It is through his efforts the future teams are built. Mr. Bolin is indeed an important figure in the athletic department.

MR. HIEBEL

Mr. Hiebel has acted as Junior High football coach and Seventh Grade basketball coach. It is his task to teach the youngsters the fundamentals of the games. Although there isn't the glory connected with the junior high coaching, Mr. Hiebel enjoys it because he likes to work with boys. This year he also successfully managed the Junior High Basketball Tournament. We appreciate the work done by Mr. Hiebel.

Football Squad

The 1948 M. H. S. football team, under the able coaching of Mr. Manning, ended up on the short end of nine game schedule. The team this year had a "never say die" spirit and deserves a lot of credit. The team, lacking experience, just couldn't materialize the breaks they got into touchdowns.

The lone victory was a sweet one though, defeating Parkersburg 7-0. It was the first one for Marietta over Parkersburg since 1934.

LETTERMEN

First Row (left to right):

1. RICHARD WENZEL—*Captain, Halfback.* "Dick" developed from an end to an effective halfback this year. He did the punting for the Tigers. With his speed and his other abilities he proved to be one of the outstanding players. Dick will graduate in June.

2. CHARLES SKIPTON—*Halfback.* "Chuck" was a dependable player both on offense and defense. He was a hard runner and a hard tackler. This is Chuck's second year of varsity ball, and he will be playing again next year.

3. CHARLES WILSON—*Fullback.* "Bad Charley" playing his first year of varsity ball got his nickname because he was a hard-hitting ball carrier. He is a junior this year and will be an important figure on next year's team.

4. RICHARD BUZZARD—*Quarterback.* "Dick" had the task of operating the team from a T Formation and did a good job. He received an eye injury in the early part of the season, which caused him to miss a couple of games. He leaves us this year.

Second Row:

1. ELVIN SCHENKEL—*End.* "Bud" was the youngest player on the Tiger squad this year. Although he lacked experience, he did a good job. Bud has two more years to serve the Orange and Black forces.

2. JOHN HASTINGS—*Tackle.* "Cupcake" played a consistent game and was a good blocker. He played for the good of the team and not for personal glory. John received a leg injury which kept him out of several games. He wears the cap and gown in June.

3. RALPH MOONEY—*Center.* "Ralph" was the biggest man on the team this year. He got more than his share of the tackles. Ralph was in there fighting the whole game regardless of the score. He played good ball all season and leaves a place to be filled next year.

4. ROBERT McCRACKEN—*Guard.* "Bob" was the most stubborn man on the line. Not only did he keep the opposition from getting through the line on offense, but the opposition couldn't keep him down on defense. Bob will be back next year stronger than ever.

Third Row:

1. PAUL WANZO—*Guard.* "Frankie" was a great mainstay on the forward wall. He was a hard man to keep down and was a hard tackler. Paul plays for the enjoyment of it. He will be back again next year.

2. BERNARD GREGORY—*Tackle.* Bernard was in there fighting all the time, regardless of the score. Along with his great spirit he was a good blocker and a good tackler. This is his last year playing for the Tigers.

3. EARL MORRIS—*Tackle.* Earl started the season playing fullback and was placed on the line because of his size and toughness. He could make it rough for the opposition when the going got hot. Earl will be back again next year.

4. WILLIAM SCHENKEL—*End.* "Bill" played the end opposite his brother. Although he lacked experience he was in there trying. He will be back next year to show us some real football playing.

Fourth Row:

1. HAL CHAMBERLAIN—*Guard.* Although Hal didn't see a lot of action, he played enough to get his letter. When he was in the game, he was a real scrapper with a great spirit. Hal is a senior.

2. RONALD SCHROEDER—*Halfback.* "Ronnie" was a reliable replacement in the backfield. He is a small boy but makes up for his size in his speed and drive. Ronnie will be back next year to see a lot of action.

The 1949 Tiger basketball team turned out to be a disappointment as far as the record goes. Although they won but five of the twenty games during their season, they always had the fight and spirit of a championship team, regardless of the score. The team was seriously lacking in height, but they made up for it with speed and fight.

Tiger Puts Up Tremendous Battle

Big Jawn Estes Leads Orange To 44-42 Win

Lands 14 Points Making First Start Since Knee Operation

By R. I. B.

Doc Sutton's improving Tigers wrapped up their second straight victory here last night. They almost ran out of wrapping paper and string, but in the end it turned out to be a right neat job.

A good, but not good enough Greenfield McClain Tiger outfit was given the old heave ho, 44 to 42, in a hair-raising a tilt as has been waged here this season. And it was by far the masculine. Two com- were tossed out for out of a clinch fightin' pair nit the showers via personal foul route—Capt. Wassel, Dave Bearumere- George Hendershot for and lanky George for McClain.

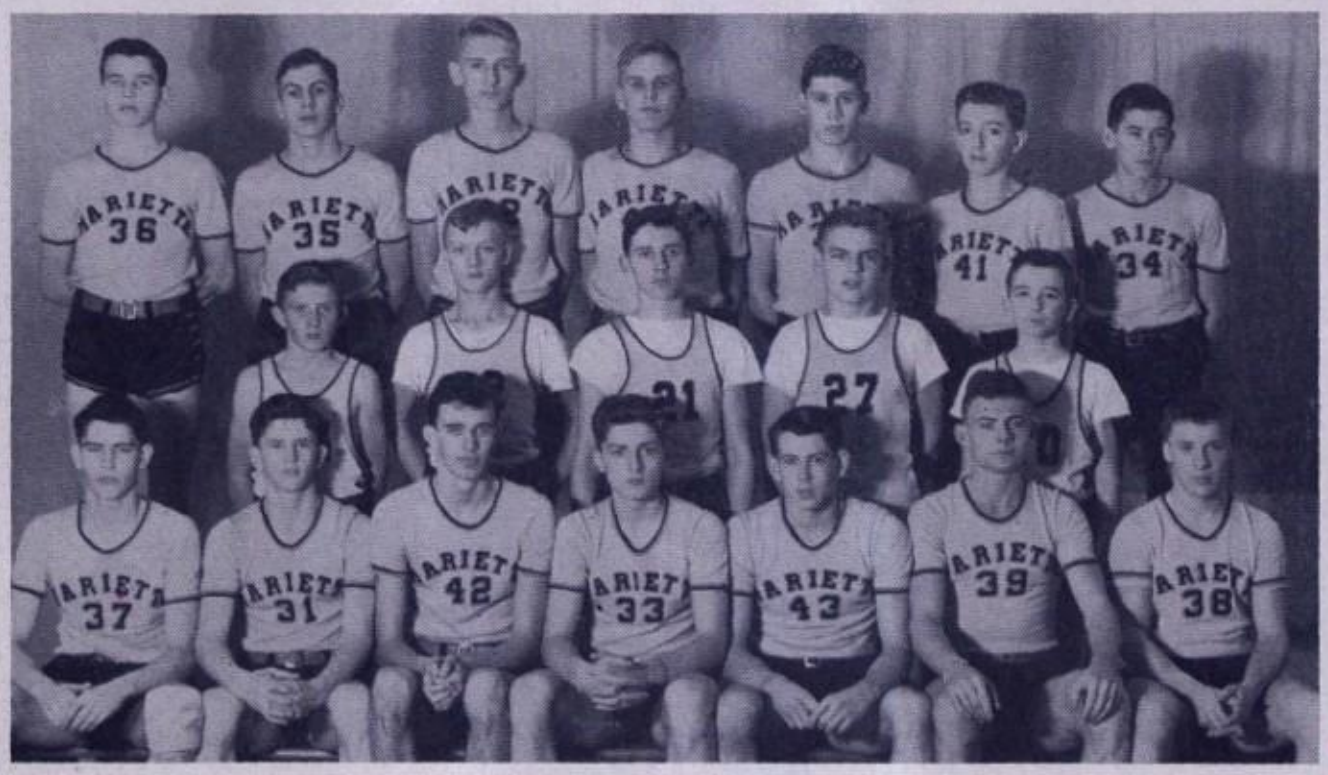
Tenth Grade Reserves



The reserves under Coach Bolin had an impressive record this year. They showed a fine display of basketball and were well drilled on the fundamentals. Because some of the boys showed such promise they were taken up to the varsity squad toward the end of the season. These boys will have a lot to do with next year's varsity team.

This year's ninth grade squad went through their season with a won 9-8 lost record. They are a promising group of boys because of their height and speed. After another year of experience this group will be figurative in varsity competition.
